

LOCKPORT PORTER FOOTBALL BOOSTERS

To All Lockport Porter Football Families,

The Booster Board would like to welcome all future Lockport Porter Football families as well as our returning families.

The Porter Football Booster Club is comprised of a group of volunteer parents whose only objective is to enhance the experience of our player's participation in football.

The goal of the Lockport Porter Football Boosters is to foster an environment that creates one of the greatest and most memorable experiences of your player's life. We as parents create this environment through positive reinforcement of the players and the efforts of the coaches. In addition, we support our program through fundraising activities. We can maximize our fundraising through various efforts (i.e. spirit wear, website sponsorship, concessions and membership drive, to name a few).

In order for Lockport Porter Football to succeed, all football families will be expected to join the Football Booster Club. The Membership fee is only \$25.00. The high school athletic budget alone is not enough to support the football program. The football coaches at all levels will rely heavily on the Booster Club to provide funds through membership and fundraising to assist with team needs such as 7 on 7 summer camps and competitions, weekly *Players of the Game* and *Practice Players of the Week* t-shirts and strength & conditioning sessions provided by Setta Performance, to name a few. Additionally, in keeping with our Lockport football traditions, the Boosters also provide 3 additional coaches to allow for additional safety & instruction for all players.

Booster meetings are held at 7:00 PM on the 2nd Tuesday of each month. Meetings take place at East Campus, Room 70 (unless otherwise noted). Please check our website for the most updated meeting information (lockportfootball.com/boosters.html) or, you can like our [facebook page](#), Lockport Porters Football Boosters. All are welcomed to attend. Please join us.

As with any volunteer organization, help is always needed throughout the season. To find out how to get more involved, please contact any of our Booster Board Members, via the website above.

Thank you for supporting Lockport Porter Football!
